

## WENDY ENNIST DRAKE YOUTH MILE RESULTS

“Crossing the Hudson River proved to be a profitable journey for Reh Hook’s **Spencer Dalzell** and Catskill’s **Shae Affaunt**. Dalzell captured the overall trophy on the all grass course that traversed Andy lee field three times. His time of 6:00 was twenty seconds ahead of the second place male, **Christian Perfas**. Affaunt’s victory in the female division was just as decisive as her time of 6:35 was twenty seconds faster than runner up **Amy Buono**.” Mention should be made that the times were remarkable since the grounds were very wet from all the rain, and a stiff 30 mile an hour breeze swirled during the entire race. The youth runners ranged from 7 years to 14 years of age.
